**RESPONSE TO NOTIFICATION OF NON-COMPLIANCE**

**WITH 37 CFR 1.192 (c)**

In response to the subject notice, applicant hereby submits a substitute brief for the subject application. The Examiner in the Notification indicated that the brief did not contain a concise statement of the claims, pending or cancelled, or does not identify the appealed claims pursuant to 37 CFR 1.192(c)(3). While applicant believes that this was clearly set forth, the status of the claims have been amended to state that claims 1-6 and 8-18 are pending in the subject application and that these have been rejected and are appealed. Applicant has further clarified that claim 7 was previously cancelled from the present application. The status of the claims continues to state that a clean copy of the claims is provided in Appendix I.

Also, the Summary of the Invention has been amended to provide appropriate reference numerals in reference to items in the drawings and the specification.

It is believed that the attached substitute briefs meet the requirements. Accordingly, applicant respectfully requests that the appeal briefs as submitted herewith be entered.

This action is being taken within one month of the above Notice.
